Description

In this short, powerful book, multimillionaire and bestselling author Steven K. Scott reveals King Solomon's breakthrough strategies to achieve a life of financial success and personal fulfillment. Steve Scott flunked out of every job he held in his first six years after college. He couldn't succeed no matter how hard he tried. Then Dr. Gary Smalley challenged him to study the book of Proverbs, promising that in doing so he would achieve greater success and happiness than he had ever known. That promise came true, making Scott a millionaire many times over. In *The Richest Man Who Ever Lived*, Scott reveals Solomon's key for winning every race, explains how to resolve conflicts and turn enemies into allies, and discloses the five qualities essential to becoming a valued and admired person at work and in your personal life. Scott illustrates each of Solomon's insights and strategies with anecdotes about his personal successes and failures, as well as those of such extraordinary people as Benjamin Franklin, Thomas Edison, Oprah Winfrey, Bill Gates, and Steven Spielberg. At once inspiring and instructive, *THE RICHEST MAN WHO EVER LIVED* weaves the timeless truths of one of our greatest works of literature into a detailed roadmap for successful living today.
